## P R E F A C E .

SOME years ago while examining the documents and other mementoes of the "Salem Witchcraft," so carefully preserved in the Archives of Essex County, Massachusetts—on being informed that only detached portions had ever been printed and thus made accessible to the public—it occurred to me that no more acceptable contribution to the library of the American collector could be made than a volume which should embody these records, and, at the same time, place them beyond the contingency of destruction or loss. . . .

The original intention was, first to procure copies of the records, and then in *that golden future of leisure* to which all men look, to offer them to the public with suitable comments and annotations; but the increasing and never-ending cares of an occupation which gives no respite in

the present and promises none in the future, warned me that if the public were ever to see these documents, through any effort of mine, I must forego this cherished purpose.

Accordingly, after long keeping, I placed the sheets in the hands of the printer as they came from the transcriber, and they are now presented without addition or diminution, *verbatim et literatim*, copies of every one of the original papers at present existing; and, now, as I look at the ponderous volumes, I am rather happy than otherwise that I have not added to them by attempting to do what each reader can, perhaps, better do for himself.

To Hon. Asahel Huntington, Clerk of the Courts, and to the Commissioners of Essex County, I desire here to tender my thanks for the kindness and liberality with which they placed at my disposal every facility for the execution of my purpose. Such men receive no honor from office—they reflect honor on the positions which they hold.

How well Mr. Munfell has done his work is plainly to be seen, so far as general appearance is concerned; but the painstaking care with which the ancient orthography and punctuation, or rather the lack of this last have been followed, can only

*Preface.*

vii

be appreciated by those who have compared the volumes with the original records.

With no more of explanation or apology the volumes are submitted with the hope that to at least a few students of American History, they will prove not altogether unacceptable. W.

March 24<sup>th</sup> 169<sup>½</sup>.

*Edward Putnam & Eliziel Cheever v. Martha Corey.*

The deposition of Edward Putnam, aged about 36 years and Ezekiel Cheever aged about 37 years testifieth and sayeth that wee being often complained unto by An Putnam that Goode Corie. did often appear to her, and tortor her by pinching and otherways thought it our duty to goe to her and see what shee would say to this complaint shee being in church covenant with us.

And according upon the 12<sup>th</sup> day of March

about ten of the clock we appointed to goe about the middle afternoon, and we desired Ann Putnam to take good notice of what cloathes Goode Corie came in that so we might see whither she was not mistaken in the person, and accordingly wee went to the house of Thomas Putnam before we went to Goode Corie to see what An could say about her cloathes, and she told us that presently after we had told her that we would goe and talke with Goode Corie. shee came and blinded her but told her that her name was Corie and that shee should see her no more before it was night, because shee should not tell us what cloathes shee had on, and then shee would come again and pay her off. then wee went both of us away from the home of Thomas Putnam to the house of Giles Corie, where we found go the abovesaid Corie all alone in her house, and as soone as we came in in a smiling manner shee sayeth, I know what you are come for, you are come to talke with me about being a witch, but I am none I cannot helpe peeples talking of me. Edward Putnam answered her that it was the afflicted person that did complain of her, that was the occasion of our coming to her, shee presently replied but does she tell you what cloathes I have on, we made her no answer to this at her first asking, whereupon shee asked us again with very great eagerness, but does shee tell you what cloathes I have on. at which questions with that eagerness of mind with which shee did aske made us to thinke of what An Putnam had told us before wee went

to her, and wee told her no shee did not, for shee told us that you came and blinded her and told her that shee should see you no more before it was night that so shee might not tell us what cloathes you had on, shee made but little answer to this but seemed to smile at it as if she had showed us a pretty trick.

Wee had a great deal of talke with her about the complaint that was of her, and how greatly the name of God and religion and the church was dishonored by this meanes, but shee seemed to be no ways concerned for any thing about it but only to stop the mouthes of peeple that they might not say thus of her, shee told us that shee did not thinke that there were any witches, wee told her we were fully satisfied about the first three that they were such persons they were accused for, shee said if they were wee could not blame the devill for making witches of them, for they were idle sloathfull persons and minded nothing that was good. but we had no reason to thinke so of her, for shee had made a profession of Christ and rejoyced to go and hear the word of God. and the like. but wee told her it was not her making an outward profession that would clear her from being a witch, for it had often been so in the wourld that witches had crept into the churches. much more discourse we had with her, but shee made her profession a cloake to cover all, shee further told us that the devill was come down amongst us in great rage, and that God had forsaken the earth, and after much discourse with her being

to much here to be related, we returned to the house of the abovesaid Thomas Putnam and we found that shee had done as she said shee would for she came not to hurt the abovesaid Putnam as Ann Putnam told us all this time but after we were gone we understand that shee came again as shee did use to doe before greatly afflicting of her.

We doe further testify that vpon her examination she according to what was said of her that shee would open thee yes of the magistrates and ministers, so shee did for shee made a most clear discovery witchcraft for by biting her lip it was observed that the afflicted persons were bit when that was discovered then we observed that she would pinch them by nipping her fingers together, and when that was discovered, and her hands held, then shee afflict them by working with her foot, and when that was discovered then shee pressed upon the seate with her breast and Mistris Pope. was greatly afflicted by great pressure upon her stomack.

Jurat in Curia. Sept. 8. 92.

Mr. Ezekells Cheevers affirmd to ye Jury of Inquest that he saw Martha wife to Giles Cory examined before ye Magistrates, at which time he observed that y<sup>e</sup> sd Cory sometimes did bite her lip and when she bit her lip Mercy Lewis and Eliza<sup>th</sup> Hubbard and others of y<sup>e</sup> afflicted persons, were bitten, also when sd Cory pinched her fingers together, then Mercy Lewis and Elizabeth Hubbard and others were pinched, and according to y<sup>e</sup> motions of sd Martha Coryes body, so was y<sup>e</sup> afflicted

persons afflicted, this he affirmed to be true according to y<sup>e</sup> best of his observation. Mr Edward Putnam affirmed y<sup>e</sup> same to y<sup>e</sup> Jury of Inquest, that Mr Cheever doth. Mr. Thomas Putnam affirmed ye same all upon oathe all of them.

*Abigail Williams v. John Proctor.*

1692. Apr. 4. *Abig Williams.* complained of Goodm. *Proctor* and cryed out w<sup>t</sup> are you come to, are you come to you can pinch as well as your wife and more to that purpose.

6. At night she complained of Goodm *Proctor* again, and beat upon her breast and cryed he pinched her.

The like I hear at Tho: Putmans house.

12. Day. when the marshall was sent up to enquire of John *Proctor* and the others, and I was writing some what there of as above I met with nothing but interruptions by reason of fits vpon John Indian and Abigail, and Mary Wolcott happening to come in just before, they one and another cryed out there is Goodm: *Proctor* very often, and Abigail said there is Goodm: *Proctor* in the magistrates lap. at the same time Mary Wolcott was sitting by a knitting, we askt her if she saw Goodm: *Proctor*, [for Abigail was immediately seized with a fit] but she was deaf and dumb, yet still a knitting. then Mary recovered herselfe and

confirmed what Abigail had said that Goodm Proctor she saw in the magistrates lap, Then John cried out to the Dog under the table to come away for Goodm Proctor was upon his back; then he cried out of Goody Cloyce, O you old witch, and fell immediately into a violent fit that 3 men and the marshall could not without exceeding difficulty hold him. In which fit Mary Walcott that was knitting and well composed, said there was Goodm. Proctor and his wife and Goody Cloyse helping of him, but so great were the interruptions of John and Abigail by fits while we were observing these things to notify them, that we were fain to send them both away that I might have liberty to write this without disturbance, Mary Walcott abiding composed and knitting whilst I was writing and the two other sent away, yet by and by whilst I was writing Mary Walcott said there Goody Cloyse has pincht me now

Note Mary Walcott never saw Proctor nor his wife till last night coming from the examination at Salem and then she saw Goody Proctor behind her brother Jonathan all the way from the widow Gidneys to Phillips, where Jonathan made a little stay, But this day and time I have been writing this, she saw them many times.

*Examination of Rebecca Nurse.*

The Examination of Rebeckah Nurse at Salem  
Village 24. Mar. 169 $\frac{1}{2}$ ,

Mr Harthorn. Wat do you say (speaking to one  
afflicted) have you seen this woman hurt you.

yes, she beat me this morning.

Abigail. have you been hurt by this woman?

Yes.

Ann Putnam in a grevous fit cryed out that she hurt her.

Goody Nurse: here are two: An: Putnam the child and Abigail Williams, complains of your hurting them What do you say to it

N. I can say before my Eternal Father I am innocent and God will clear my innocency

Here is never a one in the Assembly but desires it. but if you be Guilty Pray God discover you.

Then Hen: Kenney rose up to speak.

Goodm, Kenney what do you say,

Then he entered his complaint and farther said that since this Nurse came into the house he was seized twise with an amas'd condition.

Here are not only these but here is y<sup>e</sup> wife of Mr Tho Putnam who accuseth you by creditable information and that both of tempting her to iniquity and of greatly hurting her.

N. I am innocent and clear, and have not been able to get out of doors these 8. or 9. dayes.

Mr. Putman give in what you have to say.

Then Mr Edward Putman gave in his relate.

Is this true Goody Nurse.

I never afflicted no child no never in my life.

You see these accuse you. is it true.

No.

Are you an innocent person relating to this witchcraft

Here Tho: Putmans wife cryed out Did you not bring the Black man with you, did you not bid me tempt Cod and dye. How oft have you eat and

drunk your own damnation What do you say to them

Oh Lord, help me, and spread out her hands and the afflicted were grievously vexed

Do you see what a solemn condition these are in? when your hands are loose the persons are afflicted

Then Mary Walcot, (who often heretofore said she had seen her but never could say or did say that she either bit or pincht her, or hurt her) and also Elis Hubbard. under the like circumstances both openly accused her of hurting them.

Here are then 2 grown persons now accuse you what say you? Do not you see these afflicted persons, and hear them accuse you

The Lord knows: I have not hurt them: I am an innocent person

It is very awfull for all to see these agonies and you an old professor, thiffcharged with contracting with the devil by the effects of it, and yet to see you stand with dry eyes when there are so many whet.

You do not know my heart.

You would do well if you are Guilty to confess give Glory to God.

I am as clear as the child unborn.

What uncertainty there may be in apparitions I know not yet this with me strikes hard upon you, that you are at this very present, charged with familiar spirits this is your bodily person they speak to: they say now they see these familiar spirits come to your bodily person, now what do you say to that.

I have none. Sir.

If you have confest. and give Glory to God I pray God clear you, if you be innocent, and if you be Guilty discover you And therefore give me an upright answer: have you any familiarity with these spirits?

No I have none but with God alone.

How came you sick for there is an odd discourse of that in the mouths of many.

I am sick at my stomach.

Have you no wounds.

I have not but old age.

You do Know whether you are Guilty and have familiarity with the devil, and now when you are here present, to see such a thing as these testify a black man whispering in your ear and birds about you, what do you say to it.

It is all false. I am clear.

Possibly you may apprehend you are no witch but have you not been led aside by temptations that way.

I have not.

What a sad thing it is that a church member here and now another of Salem, should be thus accused and charged

Mr<sup>s</sup> Pope fell into a grievous fit and cryed out a sad thing sure enough. And then many more fell into lamentable fits.

Tell us, have not you had visible appearances more than what is common in nature?

I have none nor never had in my life.

Do you think these suffer voluntary or involuntary.

I cannot tell.

That is strange every one can judge.

I must be silent

They accuse you of hurting them, and if you think it is not univellingly but by designe, you must look vpon them as murderers.

I cannot tell what to think of it.

Afterwards when this was somewhat infisted on she said: I do not think so: she did not understand aright what was said.

Well then give an answer now do you think these suffer against their wills or not.

I do not think these suffer against their wills.

Why did you never visit these afflicted persons.

Because I was afraid I should have fits too.

Note Upon the motion of her body fits followed upon the complainants, abundantly and very frequently.

Is it not an unaccountable case that when you are examined these persons are afflicted?

I have got no body to look to but God.

Again vpon stirring her hands the afflicted persons. were seized with violent fits of torture.

Do you beleive these afflicted persons are bewicht.

I do think they are.

When this witchcraft came vpon the stage there was no suspicion of Tituba (Mr Parris's Indian woman) she professit much love to that child Betty Parris, but it was her apparition did the mischief, and why should not you also be guilty for your apparition doth hurt also.

Would you have me bely myself.

she held her neck on one side, and accordingly so were the afflicted taken.

Then authority requiring it, Sam: Parris read what he had in Characters taken from Mr Tho: Putmans wife in her fitts.

What do you think of this.

I cannot help it, the Devil may appear in my shape.

This a true account of the sume of hir examination but by reason of great noyses, by the afflicted and many speakers, many things are pretermitted memorandum

Nurse held her neck on one side and Eliz Hubbard. (one of the sufferers) had her neck set in that posture whereupon another patient Abigail Williams, cryed out, set up Goody Nurses head, the maid's neck will be broke. and when some set up Nurse's head. Aaron Wey. observed y<sup>t</sup> Betty Hubbards was immediately righted.

Salem Village March. 24th. 169 $\frac{1}{2}$ .

The Rever<sup>t</sup> mr Samuell Parris being desired to take in urighting y<sup>e</sup> examination of Rebeckah Nurse hath retured itt as aforesaid.

Vpon hearing the afores<sup>d</sup> and seeing what wee then did see together with y<sup>e</sup> charge of the persons then present wee committed Rebekah Nurse y<sup>e</sup> wife of ffrans<sup>s</sup> Nurse of Salem village vnto their Majest<sup>ys</sup> Goale in salem as p amittimus then given out. in order to farther Examination

*Examination of Mary Warren.*

The Examination of Mary Warren, At a Court held at Salem Village by. John Hathorne } Esqrs.  
Jonath: Corwin }

As soone as she was coming towards the bar, the afflicted fell into fits.

Mary Warren, you stand he charged with sundry acts of witchcraft, what do you say for your selfe are you guilty or not?.

I am innocent.

Hath she hurt you (speaking to the sufferers) some were dumb. Betty Hubbard testified agst her and then said Hubbard fell into a violent fitt.

You were a little while ago an afflicted person, now you are an afflicter: How comes this to pass.?

I looke up to God and take it to be a great mercy of God.

What, do you take it to be a great mercy to afflict others?

Betty Hubbard testified that a little after this Mary was well she the said Mary, said that the afflicted persons did but dissemble.

Now they were all but John Indian grievously afflicted and Mrs Pope also who was not afflicted before hitherto this day, and after a few moments, John Indian fell into a violent fit also.

Well here was one just now, that was a tormentor in her apperition, and she owns that she had made a league with the Devil.

Now Mary Warren fell into a fit, and some of the afflicted cryed out that she was going to confess, but Goody Korey and Proctor and his wife came in in their apparition and struck her down and said she should tell nothing.

Mary Warren continued a good space in a fit, that she did neither see, nor hear, nor speak.

Afterwards she started vp, and said I will speak and cryed out, Oh! I am sorry for it, I am sorry for it, and wringed her hands, and fell a little while into a fit again and then came to speak, but immediately her teeth were set, and then she fell into a violent fit and cryed out, oh Lord help me! Oh Good Lord save me!

And then afterwards cryed again, I will tell I will tell and then fell into a dead fit againe.

And afterwards cryed I will tell, they did, they did they did and then fell into a violent fit again.

After a little recovery she cryed I will tell they brought me to it and then fell into a fit again which fits continueing she was ordered to be had out, and the next to be brought in, viz. Bridget Bishop

Sometime afterwards she was called in again but immediately taken with fits, for awhile,

Have you signed the Devils book?

No.

Have you not toucht it?

No.

Then she fell into fits again and was sent forth for air,

After a considerable space she was brought in again but could not give account of things by reason of fits and so sent forth,

Mary Warren called in afterwards in private, before magistrates and ministers.

She said I shall not speak a word: but I will I will speak Satan.—she saith she will kill me. Oh! she says she owes me a spite and will claw me off.

Avoid Satan, for the name of God Avoid and then fell into fits again: and cryed will ye, I will prevent ye in the Name of God,——

Tell us, how far have you yielded?

A fit interrupts her again.

What did they say you should do and you should be well?

Then her lips were bit so that she could not speak so she was sent away.

Note that not one of the fuffurers was afflicted during her examination after once she began to confels. tho they were tormented before.

Salem Village Aprill 19th. 1692.

Mr Samuel Parris being desired to take in wrighting of Mary Warren, hath deliuered it as aforesaid. And vpon hearing the same and seeing what wee did then see together with y<sup>e</sup> charge of the afflicted persons then present. Wee committed said Mary Warren.

*Examination of Mary Warren.*

Mary Warrens Examination in Salem Prison.

She Testefys that Her master Proctor was always very averse to putting vp Bills for publick prayer.

Qu: Did you not know it was the Devils book when you signed?

A: No. But I thought it was no good book.

Q: after you had a Mark in the Book, what did you think then?

A. Then I thought it was the Devil's book.

Q. How did you come to know your Master and Mistris were witches

A. The Sabbath eve after I had put up my note for thanks in publick, my Mistris appeared, to me and puld mee out of the bed, and told mee that shee was a witch and had put her hand to the book she told me this in her bodily person, and that this

examinant might have known she was a witch, if She had but minded what Books she read in.

Q. What did she say to you before you tormented the children?

A. the night after she told me she was a witch she in pson told mee this Examinant, that myself and her son John would quickly be brought out for witches.

This Examinant saith that Giles Cory in apparition told her the night before, that the Magistrates were going vp to the farme, to bring down more witches to torment her, moreover being in a dreadful fit in the prison, she charged it on Giles Cory who, was then in close prison affirming that he came into the Room where she was and afflicting her charged her not to Come into the other Room while he was examining, But being sent for, and he Commanded to look vpon her, He no sooner turned his face to her, but shee fel into a dreadful fit again, and vpon her Recovery Charged him to his face with being y<sup>e</sup> procurer of it. Moreover the said Cory in prison formerly threatened her that he would fitt her for itt, because he told her she had caused her Master to ask more for a piece of Meadow than he was willing to give she likewise in her fitt in the other room before she had seen Giles Cory in person charging him with afflicting of her, described him in all his garments, both of hat, Coat and the colour of them, with a Cord about his wast, and a white Cap on his head and in Chains, as severall then in company can affirm.

being asked whether she had not bin instrumentall to afflict ye afflicted parsons. Answered no but when she heard they were afflicted in her shape she began to fear it was the devil.

being asked whether she had images to stick pins or thorns into to hurt people with, answered, no.

She was asked whether y<sup>e</sup> devil never asked her consent to hurt in her shape, answered, no. she had her M<sup>r</sup> and Mistris tell of images and of sticking of thorns in them to hurt people with.

she was asked whether she knew of any images in y<sup>e</sup> house, sayd no.

she sd when : she toucht y<sup>e</sup> book she went to put her finger to another line but still her finger went to y<sup>e</sup> same place where her finger had blackt

Mr Noyes told her she had then touched ye book twice and asked her whether she did not suspect it to be y<sup>e</sup> devils book before she toucht it y<sup>e</sup> second time : she sd she feared it was no good book, being asked what she meant by no good book, she sd a book to deceiv.

*Examination of Bridget Byshop No. 1.*

The Examination of Bridget Byshop at Salem  
Village 19. Apr. 1692.

By John Hathorn & Jonath : Corwin Esq<sup>rs</sup>.

As soon as she came near all fell into fits.

Bridget Byshop you are now brought before  
Authority to give acc<sup>o</sup> of what witchcrafts you are  
conversant in

I take all this people (turning her head and eyes  
about) to witness that I am clear.

Hath this woman hurt you speaking to y<sup>e</sup> af-  
flicted.

Eliz Hubbard, Ann Putnam, Abigail Williams  
and Mercy Lewes affirmed that she had hurt them.

You are here accused by 4 or 5 for hurting  
them, what do you say to it?

I never saw these persons before, nor I never was  
in this place before.

Mary Walcott said that her brother Jonathan strove her appearance and she saw that he had tore her coat in striking, and she heard it tare.

Upon some search in the Court a rent that seems to answer what was alledged was found.

They say you bewicht your first husband to death

If it please your worship I know nothing of it.

—She shake her head and the afflicted were tortured.

—The like again upon the motion of her head.

Sam : Braybrook affirmed that she told him to day that she had been accounted a witch these—10—years, but she was no witch the Devil cannot hurt her

I am no witch

Why if you have not wrote in the book, yet tell me how far you have gone?

I have no familiarity with the devil.

How is it then, that your appearance doth hurt these?

I am innocent.

Why you seem to act witchcraft before us by the motion of your body which seems to have influence upon the afflicted.

I know nothing of it. I am innocent to a witch I know not what a witch is.

How do you know then that you are not a witch

I do not know what you say.

How can you know, you are no witch, and yet not know what a witch is.

I am clear : if I were any such person you should know it.

You may threaten, but you can do no more than you are permitted.

I am innocent of a witch

What do you say of those murders you are charged with?

I hope, I am not guilty of murder,

Then she turned vp her eyes, and the eyes of the afflicted were turned up :

It may be you do not know, that any have confessed to day, who have been examined before you, that they are witches.

No. I know nothing of it.

John Hutchinson and John Lewis in open Court affirmed that they had told her.

Why look you, you are taken now in a flat lye.

I did not hear them.

*Note Sam :* Gold saith that after this examination he aske<sup>d</sup> Bridget Byshop if she were not troubled to see the afflicted persons so tormented, said Byshop answered no she was not troubled for them : Then he ask<sup>t</sup> her whether she thought they were bewicht she said she could not tell what to think about them. Will Good and John Buxton jun<sup>r</sup> was by and he supposeth they heard her also.

Mr Sam<sup>l</sup> Parris being desired to take in wrighting the Examination of Bridget Bishop, hath delivered it as aforesaid. And vpon hearing ye same and seeing what wee did then see together with the charge of the afflicted persons then present ; Wee committed said Bridget Olliver

JOHN HATHORNE.

*Examination of Bridget Bishop No. 2.*

The examination of Bridget Bishop before the Worshipfull John Hathon and Jonathan Curren esq<sup>rs</sup>.

Bridget Bishop being now coming in to be examined relating to her accusation of suspicion of sundry acts of witchcrafts, the afflicted persons are now dreadfully afflicted by her as they do say.

(Mr Hathon) Bishop what doo you say you here stand charged with sundry acts of witchcraft by you done or committed vpon the bodyes of Mercy Lews and An Putnam and others.

(Bishop) I am innocent I know nothing of it I have done no witchcraft.

(Mr. Hathen) Looke vpon this woman and see if this be the woman that you have seen hurting you. Mercy Lewes and An Putnam and others doo doo now charge her to her face with hurting of them.

(Mr Hathen) What doe you say now you see they charge you to your face

(Bish) I never did hurt them in my life I did never see these persons before I am as innocent as the child unborn.

(Mr Harth) is not your coat cut.

(Bish) answers no, but her garment being Looked vpon they find it cut or torn two ways Jonathan Walcoate saith that the sword that he stricke at Goode Bishop with was not naked but was within the scabbard so that the rent may very probablie

be the very same that Mary Walcoate did tell that shee had in her coate by Jonathan's striking at her appearance.

The afflicted persons charge her with having hurt them many wayes and by tempting them to fine the Devills booke at which charge she seemed to be very angree and shaking her head at them saying it was false they are all greatly tormented (as I conceive) by the shaking of her head.

(Mr Har) Good Bishop what contract have you made with the devill.

(Bish) I have made no contract with the devill I never saw him in my life. An Putnam sayeth that shee calls the devill her God.

(Mr Har) what say you to all this that you are charged with can you not find in your heart to tell the truth.

(Bish) I doe tell the truth I never hurt these persons in my life I never saw them before.

(Mercy Lewes) Oh goode Bishop did you not come to our house the Last night and did you not tell me that your master made you tell more than you were willing to tell.

(Mr Har) tell us the truth in this matter how comes these persons to be thus tormented and to charge you with doing

(Bish) I am not come here to say I am a witch to take away my life.

(Mr H) who is it that doth it if you doe not they say it is your likeness that comes and torments them and tempts them to write in the booke, what Booke is that you tempted them with.

(Bish) I know nothing of it I am innocent.

(Mr Harth) doe you not see how they are tormented you are acting witchcraft before us what doe you say to this why have you not an heart to confesse the truth.

(Bish) I am innocent I know nothing of it. I am no witch I know not what a witch is.

(Mr H) have you not given consent that some evill spirit should doe this in your likenes

(B) no I am innocent of being a witch I know no man woman or child here.

(Marshall Herrick) how came you into my bed chamber one morning then and asked me whether I had any curtains to sell. Shee is by some of the afflicted persons charged with murder.

(Mr Harth) what doe you say to these murders you are charged with.

(B) I am innocent I know nothing of it.

now shee lifts vp her eyes and they are greatly tormented

(Mr Har) what doe you say to these things here horrible acts of witchcraft.

(Bish) I know nothing of it I doe not know whether be any witches or no

(Mr Har) no have you not heard that some have confessed

(Bish) no I did not. two men told her to her face that they had told her, here shee is taken in a plain lie. now shee is going away they are dreadfully afflicted 5 afflicted persons doe charge this woman to be the very woman that hurts them

This is a true account of what I have taken down at her examination according to best understanding and observation I have also in her examination taken notice that all her actions have great influence vpon the afflicted persons and that have been tortured by her  
Ezekiel Cheever.

William Stacey of the Towne of Salem aged Thirty Six years or thereabouts Deposeth and Saith

That about fourteene years agoe this Daponant was visited with the Small Pox, then Bridget Bishop did give him a visitt and withall Proffessed a great Love for this Deponant in his affliction more than ordinary, at which this deponant admired some time after this Deponant was well the said Bishop got him to do some work for her for which she gave him three pence which seemed to his Depo<sup>t</sup> as if it had been good money, but he had not gone not above 3 or 4 Rods before he Looked in his Pockett where he put it for it, but could not find any. sometime after this deponent met the said Bishop in ye Streete a goeing to mill, She asking this Deponant whether his father would grind her grist: he put it to y<sup>e</sup> said Bishop why she asked: she answered because folks counted her a witch this Depo<sup>t</sup> made answer, he did not question but that his father would grind it: but being gone about 6 Rod from he y<sup>e</sup> said Bishop, with a small load in his cart suddenly y<sup>e</sup> Off wheele Plumped or Sunk down into a hole upon Plain ground, that this Deponent was forced to get one to help him gett y<sup>e</sup> wheele out afterwards this Deponent, went back to look for said hole where his wheele sunk in but could not find any hole, sometime after in the winter about midnight this deponent felt something betweene his lips Preffing hard ag<sup>t</sup> his teeth and withall was very

cold in so much that it did awake him so y<sup>t</sup> he gott up and sat upon his beed he at the same time seeing the said Bridget Bishop sitting at ye foot of the bed, being to his seeming it was then as light as if it had been day, or one in the said Bishops shape, she having then a black cap and a black hat and a Red coate with two Eakes of two Coalers then she the said Bishop or her shape clapt her coate close to her legges and hopt vpon the bed and aboute the Roome and then went out. and then it was Dark, againe some time after the said Bishop went to this Depon<sup>t</sup> and asked him whither that which he had reported was true that he had told to severall, he answered y<sup>t</sup> was true, and y<sup>t</sup> it was she and bid her denigh it if she dare, the said Bishop did not denigh it and went away very angry and said y<sup>t</sup> this Depo<sup>t</sup> did her more mischief than any other body, he asked why: she answered because folks would believe him before any body Elce: sometime after the Said Bishop thretned this Deponent and told him he was the occasion of bringing her out about the brass she stole; some time after this deponent in a Dark night was going to y<sup>e</sup> Barn, who was, suddenly taken or hoisted from y<sup>e</sup> Ground and threw ag<sup>t</sup> a Stone wall, after that taken up againe a throwed Down a bank at the end of his house; sometime after this deponent mett the said Bishop by Isaac Stones brick kill after he had Passed buy her this Deponents horse stood still with a small load going up the hill so y<sup>t</sup> the horse striueing to draw all his Years and tackling flew in pieces and the cart fell downe.

*John Hale v. Bridget Bishop.*

John Hale of Beuerly aged about 56 years testifieth and saith that about 5 or 6 years agoe Christian y<sup>e</sup> wife of John Trask (living in Salem bounds

U

bordering on y<sup>e</sup> abovesaid Beuerly) being in full communion in o<sup>r</sup> church came to me to defier y<sup>t</sup> Goodwife Bishop her neighb<sup>rr</sup> wife of Edw: Bishop ju might not be permitted to receive y<sup>e</sup> Lord's Supper in our church till she had given her y<sup>e</sup> said Traff satisfaction for some offences y<sup>t</sup> were against her: viz: because y<sup>e</sup> said Bishop did entertaine certain people in her house at unseasonable hours in y<sup>e</sup> night to keep drinking and playing at shovel board whereby discord did arise in other families and young people were in danger to be corrupted and y<sup>t</sup> the sd Traff knew those things and has once gone into ye house and fynding some at Shovel board had taken y<sup>e</sup> peices thay played with and thrown them into the fyre and had reproved y<sup>e</sup> said Bishop for promoting such disorders But received no satisfaction from her about it.

I gave sd Christian Traff direction how to proceed farther in this matter if it were clearly proved And indeed by the information I have had otherwise I doe fear y<sup>t</sup> if a stop had not been putt to those disorders Edward Bishop's house would have been a house of great prophainness and iniquity.

But as to Christain Traff y<sup>e</sup> next news I heard of her was y<sup>t</sup> she was distracted and asking her husband Traff when she was so taken, he told mee shee was taken distracted y<sup>t</sup> night after shee came from my house when shee complained against Goody Bishop.

She continueing some time distracted wee Sought y<sup>e</sup> Lord by fasting and prayer and ye Lord was

pleased to restore y<sup>e</sup> sd Trash to y<sup>e</sup> vse of her reason agen I was w<sup>th</sup> her often in her distraction (and took it then to be only distraction y<sup>t</sup> fearing sometimes some y<sup>t</sup> worse) but since I haue seen y<sup>e</sup> fitts of those bewitched at Salem village I call to mind some of hers to be much like some of theirs.

The said Trask when recovered (as I understood it did manifest strong suspicion y<sup>t</sup> shee had been bewitched by y<sup>e</sup> sd Bishop's wife and showed so much avernses from having any converse \*\*\*\* her that I was then troubled \*\*\*\* as hoping better of Goody Bishop at that time \*\*\*\*\* At length said Christian Trask \*\*\* *was* \*\*\* agen in a distracted fit on a Sabbath day in y<sup>e</sup> forenoon at ye publick meeting to a publick disturbance and so continued some times better sometimes worse unto her death manifesting y<sup>t</sup> shee was under temptation to kill herselfe or somebody else.

I enquired of Marg<sup>rs</sup> Ring who kept at or nigh y<sup>e</sup> house, what shee had observed of sd Trash before this last distraction shee told mee, Goody Trask was much given to reading and searck ye prophecys of scripture.

The day before she made y<sup>t</sup> disturbance in ye meeting house shee came home and said shee had been with Goody Bishop and y<sup>t</sup> thay two were now friends or to y<sup>e</sup> effect.

I was off praying w<sup>th</sup> and counselling of Goody Trask before her death and not many days before her end being there shee seemed more rational and earnestly desired Edw Bishop might be sent for y<sup>t</sup>

shee might make friends with him. I asked her if shee had uronged Edw Bishop shee said not y<sup>t</sup> shee knew of unless it were in taking his shovel board peices when people were at play w<sup>th</sup> them and throwing them into the fyre and if shee did evill in it she was very forry for it and desiered he would be friends with her or forgive her. this was ye very day before shee dyed or a few days before.

Her difraction (for bewitching) continued about a month and in those intervalls wherein she was better she earnestly desiered prayers, and y<sup>e</sup> Sabbath before shee dyed I received a note for prayers on her behalf which her husband said was written by herselfe and I judge was her owne hand writing being well acquainted with her hand.

As to ye wounds she dyed of I observed 3 deadly ones; a peice of her wind pipe cutt out. and another wound above yt threw ye wind pipe and Gulle to y<sup>e</sup> veine thay call jugular,, So that I then jugud and still doe apprehend it impossible for her w<sup>th</sup> so short a pair of ciffars to mangle herselfe so without some extraordinary work of the devill or witchcraft.

*Sam<sup>ll</sup> Shattuck v. Bridget Bishop.*

Sam<sup>ll</sup> Shattoch aged 41 years testifieth y<sup>t</sup> in y<sup>e</sup> year 1680. Bridget Oliuer formerly wife to old Goodman Oliuer, now wife to Edward Bishop did come to my hous pretending to buy an old hh<sup>d</sup> w<sup>ch</sup> tho I asked very little for and for all her pretended want She went away w<sup>th</sup>out it and Sundry other tymes she came in a Smooth flattering maner in very Slightly Errants: we have thought Since on purpose to work mischief: at or very near this tyme or Eldest Child who promised as much and understanding, both by countenance and actions as any other children of his years: was taken in a very drooping condition, and as she came oftener to the hous he grew wors and wors: as he would be standing at y<sup>e</sup> door would fall out and bruis his face vpon a great step stone as if he had been thrust out bye an invifible hand often tymes falling and hitting his face ag<sup>t</sup> y<sup>e</sup> sides of y<sup>e</sup> hous, bruising his face in a very miserable manner. After this y<sup>e</sup> abouesaid Oliuer brought me a pair of fleeces to dye and after y<sup>t</sup> Sundry peeces of lace Som of w<sup>ch</sup> were Soe Short y<sup>t</sup> i could not judge y<sup>m</sup> fit for any use: she pd me 2<sup>d</sup> for dying y<sup>m</sup> w<sup>ch</sup> 2<sup>d</sup> I gave to Henery Williams w<sup>ch</sup> liued w<sup>th</sup> me he told me put it in a purs among som other money which he locked up in a box and y<sup>t</sup> ye purs and money was gon out of y<sup>e</sup> Box he could not tell how: and neuer found it after. just

after y<sup>e</sup> dying of these things this child taken in a terrible fit: his mouth and eyes draune aside and gasped in such a maner as if he was upon y<sup>e</sup> point of death: after this he grew wors in his fits and out of y<sup>m</sup> would be almost allways crying. y<sup>t</sup> for many months he would be crying till nature's strength was spent and then would fall a sleep and y<sup>n</sup> awake and fall to crying and moaning: y<sup>t</sup> his very countenance did bespeak compassion: And at length we p<sup>r</sup>ceived his understanding decayed. Soe y<sup>t</sup> wee feared (as it has Since proved) y<sup>t</sup> he would be quite bereft of his witts, for Euer Since he has bin Stupefied and voide of reason his fitts still following of him: after he had bin in this kind of Sicknes Som tyme he has gone into the garden and has got upon a board of un inch thick w<sup>ch</sup> lay flat upon y<sup>e</sup> ground and wee have called him: he would com to the Edge of y<sup>e</sup> board and hold out his hand and make as if he would com but Could not till he was helped of y<sup>e</sup> board: other tymes when he has got upon a board as aforesaide my wife has said she has offered him a Cake and money to Com to her and he has held out his hand and reacht after it but Could not Com till he had bein helpt of y<sup>e</sup> board: by w<sup>ch</sup> i judge som inchant<sup>mt</sup> kept him on, about 17 or 18 months after y<sup>e</sup> first of this Ilnes there came a Stranger to my hous and pittied this Child and said among other words wee are all borne Som to one thing and Som to another: I asked him and w<sup>t</sup> doe you say this child is borne too he replied he is born to be bewitched and is

bewitched. I told him he did not know: he said he did know and said to me you have a neighbor y<sup>t</sup> liues not far of y<sup>t</sup> is a witch. I told him wee had no neighbor but w<sup>t</sup> was honest folke, he replied you haue a neighbor y<sup>t</sup> is a witch and she has had a falling out w<sup>th</sup> yo<sup>r</sup> wife and said in her hart yo<sup>r</sup> wife is a proud woman, and she would bring downe her pride in this Childe: I paused in my selfe and did remember y<sup>t</sup> mye wife had told me y<sup>t</sup> Goodwife Oliuer had ben at y<sup>e</sup> hous and spoke to her to beat Henery Williams y<sup>t</sup> liued w<sup>th</sup> vs and y<sup>t</sup> she went away muttering and she thought threatning: but little before o<sup>r</sup> child was taken ill: I told y<sup>e</sup> aforesaid Stranger y<sup>t</sup> there was such a woman as he spoke of: he asked where she liued for he would goe and see her if he knew how: I gave him money and bid him ask her for a pot of Sydr away he went and I sent my boy w<sup>th</sup> him, who after a short tyme, both returned: ye boys face bleeding and i asked w<sup>t</sup> was y<sup>e</sup> matter they told me y<sup>e</sup> man knocht at ye door and Goody Olivier came to y<sup>e</sup> door and asked y<sup>e</sup> Stranger w<sup>t</sup> he would have, he told her a pot of sydr. she saide he should have none and bid him get out and took vp a spade and made him goe out She followed him and when she came w<sup>thout</sup> ye poarch She saw my boy and ran to him and scratched his face and made it bleed: Saying to him thou roague w<sup>t</sup> dost thou bring this fellow here to plague me: now this man did say before he went: y<sup>t</sup> he would fetch blood of her. And euer Since this child hath bin followed w<sup>th</sup> greui-

The Sufferers were seized with fou the accused came into the Court

Hath this woman hurt you?

Oh she is vpon the beam.

Goody Bibber that never saw her before says she saw her now vpon the beam & then said Bibber fell into a fit.

What say you to this are you guilty or not?

I am not guilty. Sir.

Is this y<sup>e</sup> woman speaking to ye afflicted  
 Thay all, or most, said yes, & then fell *into fits*.  
 What do you say, are you guilty  
 I thank God. I am free.

Hear is a clear evidence that *you have*  
 been not only a Tormenter *but that*  
 you have caused one to *signe the*  
 book, the night before last. *What*  
 you say to this?

*I* ever saw the book in my life *and I never*  
*saw these persons* before.

*Some of the* afflicted fell into fits  
*Do* you, deny this thing that is  
 All fell into fits & *confirmed*  
 that the accused hurt them

Did you never consent that *these should*  
 be hurt?

never in my life.

She was charged by some *ivith*  
 with hurting John Hemcks mother

The accused denied it.

Capt How gave in a relation *and*  
 conformation of the charge before made.  
 she was ordered to be taken away &  
 they all cryed out she was upon the  
 Beam & fell into fits.

*Examination of W<sup>m</sup> Hobbs.*

The Examination of  
 William Hobbs at the Same Court.  
*Hath* this man hurt you?

Several answered yes.

*Goody Bibber* said no.

*What* say you, are you guilty or not?

*I* can speak in the presence of God safely as  
*I* may look to give account another day  
that *I* am as clear as a new born babe.

Clear of what?

Of witchcraft

Have you never hurt these?

No.

Have you not consented that they should  
be hurt?

*Abigail Williams* said he was going to *Mercy  
Lewes* and quickly after said *Lewes* was seized with  
a fit.

Then said *Abigail* cried he is coming to *Mary  
Walcot* and said *Mary* presently fell into a fit also.

*How* can you be clear when the children  
*saw* something come from you & afflict  
these persons?

Then they fell into fits & halloo'd  
*suffe* red greatly.

er wife before you God wa  
open her mouth and she ha  
fession and you seem to  
before us.

*I* am clear of any witch.

*What* do you call it, an over look *ing* of  
*thern*? you look upon them & they are  
hurt none of them.

Then they all fell into grede fits again

When were you at any publick Religious meeting  
Not a pretty while  
Why so?

Because I was not well: I had a distemper.  
that none knows.

Can you act witchcraft here & by casting your  
eyes turn folks into fits.

You may judge your pleasure my soul is clear.

Do you not see you hurt them by your look

No. I do not know it.

You did not answer to that question  
dost you overlook them?

No. I dont overlook them

What do you call that way of looking vpon  
persons and striking them downe?

You may judge your pleasure.

Well but what do you call it?

It was none of I.

Who was it then?

I cannot tell who they are.

Why they say they see you going to hurt persons  
& immediately hurt persons.

Abig: Williams said he is going to hurt Mercy  
Lewesn and imediately sd Mercy fell into a fit and  
divers others

Can you now deny it?

I can deny it to my dying day.

What is the reason when you go away when *there*  
is any reading of the Scripture in your *family*

He denied it.

Nath<sup>l</sup> Ingersol & Tho Haynes testified  
that this Hobbs daughter had told them *so*

As soon as your daughter Abigail & after  
to day your wife confessed they left torturing  
& so would you if you would confess: can you  
still deny that you are guilty?

I am not guilty.

If you put away God's ordinances, no wonder  
that the Devil prevails with you to keep his coun-  
sell. Have you never had any apparition?

No. Sir.

Did you never pray to the Devil that your  
daughter might confess no more?

No Sir.

Who do you worship?

I hope I worship God only.

Where?

In my heart

But God requires outward worship  
not worship him in publick nor

worship him in my heart

worship him in your family

and may speak the truth

not given the Devil advantage

you thereby?

He was silent a considerable space  
then said yes

Have you not known a good while how  
that your daughter was a witch?

No. Sir.

Do you think she is a witch now

I do not know

Well if you desire mercy from God own  
the truth

I do not know anything of that nature  
 What do you think these people aile?  
 More than ordinary?  
 But what more than ordinary  
 \_\_\_\_\_ silent

Why do you not answer what is they aile?  
 I do not know what they aile I am forry  
 It is none of I.

What do you think they aile?  
 There is more than ordinary  
 What is that?

I cannot tell  
 Do you think they are bewicht.  
 I cannot tell.

Now tell when your wife & daughter o  
 Did not you give consent that they should be *hurt*  
 Never in my dayes.  
 What do you think cused your wife she was

these the other day  
 nal God in Heaven knows  
 know that. We do not ask that  
 ther you do not know what cused  
 t tell I know nothing  
 man said he told me that if his wife  
 not write in the book he would kill her  
 was the same time that she did figne  
 ppears by the time of her appearing as a  
 ember of Mr Parris family & others.

Did not you say so?  
 I never said so.

The Examination of Sufan Martin 2. May 1692.

As soon as she came in many had fits.

Do you know this woman

Abig. Williams faith it is Goody Martin she hath hurt me often. Others by fits were hindered from speaking. Eliz Hubbard said she hath not been hurt by her. John Indian said he hath not seen her. Mercy Lewis pointed to her and fell into a little fit. Ann Putnam threw her glove in a fit at her. The examinant laught.

What, do you laugh at it?

Well I may at such folly

Is this folly? The hurt of these persons?

I never hurt man woman or child

Mercy Lewis cryed out she hath hurt me a great many times and pulls me down

Then Martin Laught againe

Mary Walcot faith this woman hath hurt me a great many times Sus Sheldon also accused her of afflicting her.

What do you say to this?

I have no hand in witchcraft.

What did you do? Did not you give your consent?

No never in my life.

What ails this people?

I do not know.

But w<sup>t</sup> do you think?

I do not desire to spend my judgm<sup>t</sup> upon it.

Do not you think they are Bewitcht?

No I do not think they are?

Tell me your thoughts about them?

Why my thoughts are my own, when they are in, but when they are out they are anothers.

You said their Master —— who do you think is their master?

If they be dealing in the black art you may know as well as I.

Well what have you done towards this?

Nothing.

Why it is you or your appearance.

I cannot help it.

That may be your master.

I desire to lead myself according to the word of God.

Is this according to God's word?

If I were such a person I would tell you the truth.

How comes your appearance just now to hurt these?

How do I know?

Are not you willing to tell the truth?

I cannot tell: He that appeared in Sam: shape a glorified saint can appear in any one's shape.

Do you believe these do not say true?

They may lye for ought I know.

May not you lye?

I dare not tell a lye if it would save my live.

Then you will speak the Truth.

I have spoke nothing else. I would do them any good

I do not think you have such affections for them whom just now you insinuated had the devill for their Master.

Eliz Hubbard was afflicted and then the Marshall wo was by her said she pinchd her hand.

Severall of the afflicted cryed out they saw her vpon the beam.

Pray God discover you, if you be guilty.

Amen : Amen : A false tongue will never make a guilty person.

You have been a long time coming to the Court to day you can come fast enough in the night said Mercy Lewis.

No, sweetheart, said the examinant, and then Mercy Lewis and all or many of the rest were afflicted

John Indian fell into a violent fit and said it was that woman, she bites, she bites, and then she was biting her lips.

Have you not compassion for these afflicted ?

No I have none.

Some cryed out there was the black man with her and Goody Bibber who had not accused her before confirmed it.

Abig Williams upon trial could not come near her. Nor Goody Bibber. Nor Mary Walcot, John Indian cryed he would kill her if he came near her but he was flung down in his approach to her.

What is the reason these cannot come near you ?

I cannot tell : It may be the Devil bears me more malice than another.

Do not you see how God evidently discovers you ?

No. not a bit for that.

All the congregation think so.

Let them think what they will.

What is the reason these cannot come near you ?

I do not know but they can if they will, or else if you please I will come to them.

What is the black man whispering to you?

There was none whispered to me.

*John Pressy v. Susanna Martin.*

The testimony of John Pressy of Amesbury aged 53 years or therabouts taken before me at my house at Salisbury the eleventh day of May: Ano: Dom. 1692 is as followeth. That about twenty fower years ago, he this deponent was at Amesbury fferry

vpon a Saturday in the eving near about the shutting in of the daylight (w<sup>ch</sup> was about three mile ffrom his house) and as he was going home a little beyond the field of George Martin at a hill called Goodals hill this deponant was bewildered and Loft his way and having wandered a while he came back againe to the same place which he knew by stooping trees in that place.

w<sup>ch</sup> pceiving he fet out againe and steered by the moone w<sup>ch</sup> shone brite. and was againe Loft and came back againe to the same place.

And then fett out the 3<sup>d</sup> time in lik manner and was bewildered and came back but not so far as before but knew where he was and so fett himself in his way as before and in Less than half a mile going he saw a Light stand on his Left hand about too rod out of the way it seemed to be about the bignes of a half bushell. but this deponent hept on his way and Left it and in a matter of seven or eight rod going it appeared againe at the Lik distance from him as before and so it did againe the 3<sup>d</sup> time but the deponent past on his way and in Less than twenty rod going the same or such another Light Lay in his way and he hauing a stik in his hand did with the end of it indevered to stir it out of the place and to give it some small blows with it and the Light seemed to brush vp and move from side to side as a turkey cock when he spreads his tayle but went not out of the place. which pceiving this deponent Layd it on with his stik with all his might he thinks he gaue her at lest forty blows. and so was a going away and Leave it but as he was going

his heels were struk up and he Layed on his bak on the ground and was sliding into a deep place (as to him seemed) but taking hold of some brush or bushes and so recovered himself and having Lost his coat which he had upon his Arme went bak to the Light saw his coat and took it vp and went home without any more disturbanc there.

he farther say he do not know any such pitt to be in the place that he was sliding into. he also sayth that when he did strik at the Light he did certainly feel a substance with his stik.

he further sayth that after striking it and his recovering himself and going on his way as afore<sup>d</sup> when he had gone about 5 or 6 rod he Saw Susana Martine then wif of Georg Martin of Amesbury standing on his Left hand as the lights had done thar shee stood and Lookt vpon him and turned her face after him as he went along but said nothing nor did nothing to this Deponent, but that he went home as afore<sup>d</sup>. only he againe ouer went his owne house but knowing the ground that he was vpon returned and found his owne house but being then seized with feer could not speake till his wif spake to him at the dore and was in such condition that his family was afrayd of him. which story being caryed to the Towne the next day it was vpon enquiry understood (, that the sd Goodwif Martin was in such a miserable case and in such payn that thay swabbed her body (as was reported). This deponant further sayth that these things being noysed abroad Maj<sup>r</sup> Pike sent for this deponent and had an

account of the case, but seemed to be troubled that this deponent had not told him of it in season that she might have been vewed to have seen what her ayle was. John Pressy aforesayd made oathe to the truth of what is written in these two sides of the paper the eleventh day of May Anno Dom 1692.

*Examination of Dorcas Hoar.*

The Examination of Dorcas Hoar 2. May 1692.  
Severall of the afflicted fell into fits as soon as she was brought in

*Eliz. Hubbard* said this woman had afflicted me ever since last Sab: was seven nights, and hurt me ever since and she choakt her own husband.

*Mary Walcot* said she told me the same.

*Abig Williams* said this is the woman that she saw first, before Tituba Indian or any else.

*Ann Putnam* said this is the woman that hurts her and the first time she was hurt by her was the Sab: was seven nights.

*Susan Sheldon* accused her of hurting her last moonday night.

*Abig. Williams & Ann Putnam.* said she told them that she had choakt a woman lately at Boston, *Eliz. Hubbard* cryed why do you pinch me, the mark was visible to the standers by. The Marshall said she pincht her fingers at that time.

Dorcas Hoar why do you hurt these?

I never hurt any child in my life.

It is you or your appearance.

How can I help it?

What is it from you that hurts these?

I never saw worse than myself.

You need not see worse. They charge you with killing your husband.

I never did nor never saw you before.

You sent for Goody Gale to cut your head off.  
What do you say to that?

I never sent for her upon that account.

What do you say about killing your husband.

Sufan: Sheldon also charged her that she came in with two cats and brought me the book & fell into a fit & told me your name was Goody Buxly.

No I never did I never saw thee before.

What black cats were those you had?

I had none.

Mary Walcot Sufan Sheldon and Abigail Williams said they saw a black man whispering in her ears.

Oh! you are liars and God will stop the mouth of liars.

You are not to speak after this manner in the Court.

I will speak the Truth as long as I live.

Mary Walcot and Sufan Sheldon and Eliz Hubbard said again there was a man whispering in her ear and said she should never confess.

*Goody Bibber* free from fits hitherto said there was a black man with her and fell into a fit.

What do you say to those cats that sucked your breast what are they?

I had no cats.

You do not call them cats that are they that suck you?

I never sucked none but my child.

What do you say. you never saw Goody Buxly.

I never knew her.

Goodm Bukly testified that she had been at the house often.

I know you but not the woman.

You said you did not know the name.

Many bystanders testified she disowned that she knew the name.

I did not know the name so as to goe to the woman.

Susan Sheldon and Abig. Williams cried there was a blew bird gone into her back.

The Marshall struck and several of the bystanders testified that they saw a fly like a Miller.

What did you see Goody Bibber who was looking up.

Goody Bibber was taken dumb.

What can you have no heart to confess.

I have nothing to do with witchcraft.

They say the Devil is whispering in your ear.

I cannot help it if they do see it.

cannot you confess what you think of these things?

Why should I confess that I do not know.

Susan Sheldon cried O Goody Hoar do not kill me, and fell into a fit and when she came to herself she said she saw a black man whispering in her ear and she brought me the book.

I have no book but the Lords book.

What Lords book.

The Lords book.

Oh said some of the afflicted there is one whispering in her ears.

There is some body will rub your ears shortly, said the examinant.

Immediately they were afflicted and among others Mercy Lewes.

Why do you threaten they should be rubb'd?

I did not speak a word of Rubbing.

Many testified she did.

My meaning was God would bring things to light.

Your meaning for God to bring the thing to light would be to deliver these poor afflicted ones, that would not Rubb them.

This is unusual impudence to threaten before Authority. who hurts them now.

I know not.

They were rubbed after you had threatened them.

Mary Walcot Abigail Williams and Eliz Hubbard were carried towards her, but they could not come near her.

What is the reason these can not come near you.

I cannot help it. I do them no wrong, they may come if they will.

Why you see they cannot come near you.

I do them no wrong..

Note. The afflicted were much distressed during her examination.

This is a true account of the examination of Dorcas Hoar without wrong to any party according to my original from characters at the moments thereof witness my hand Sam Parris.

*John Hale v. Dorcas Hoar.*

John Hale aged 56 years Testifieth' 6. 7. 1692.  
That for ſeverall yeares agoe formerly were ſtorys  
told concerning Dorcas Hoar her beeing a fortune  
teller, And y<sup>t</sup> ſhe had told her owne fortune viz.  
y<sup>t</sup> ſhee ſhould live poorely ſo long as her huſband  
willm Hoar did live but y<sup>e</sup> ſaid will ſhould dye be-  
fore her and after y<sup>t</sup> ſhee ſhould live better. Allfo

ye fortune of Ens Corning and his wife who should dye first. and y<sup>t</sup> shee had had a book of fortune telling. About twenty two years agoe y<sup>e</sup> sd Dorcas minifisted to me great repentance for y<sup>e</sup> sins of her former life and y<sup>t</sup> she had borrowed a book of Palmstry and there were rules to know what should come to pass. But I telling her y<sup>t</sup> it was an Evill book and evill art shee seemed to me to renounce or reject all such practises Whereupon I had great charity for her severall yeares. But 14 yeares ago last spring I discovered an Evill practice had been between a servant of mine and some of sd Hoars children in conveying goods out of my house to ye sd Hoars and I had a daughter Rebecca then between 11 and 12 years old, whome I asked if she knew of y<sup>e</sup> Hoars stealing, she told me yea,, But durst not reveal it to me, and one reason was. she was threatened y<sup>t</sup> Goody Hoar was a witch and had a book by w<sup>ch</sup> shee cold tell what sd Rebecca did tell me in my house and if y<sup>e</sup> sd Rebecca told me of y<sup>e</sup> stealing, y<sup>e</sup> said Hoar would raise y<sup>e</sup> devill to kill her or bewitch her or words to y<sup>t</sup> Effect. (but whether she said y<sup>t</sup> Dorcas herselfe or her children told Rebecca these words I remember not) I asked Rebecca if she saw y<sup>e</sup> book. she said yea, she was shewed y<sup>t</sup> book. and there were many streaks and pictures in it by w<sup>ch</sup> (as she was told) ye said Hoar could reveale and work witchcrafts I asked her how big y<sup>e</sup> book was, she said it was like a gramer y<sup>t</sup> lay on y<sup>e</sup> table. And said shee now I have told you of the stealing Goody Hoar will bewitch me I perswaded my daughter not to think

so hardly of Goody Hoar. But she replied I know Goody Hoar is a witch (or to ye effect) and then told storys of strange things that had been acted in or about my house when I and my wife were abroad to fright sd Rebecca into silence about the theft, w<sup>ch</sup> said Rebecca judged to be acts of sd Hoars witchcraft the particulars I have now forgotten I called to minde y<sup>t</sup> y<sup>e</sup> sd Hoar had told me of a book of Palmstry she had but not y<sup>e</sup> bigness of it therefore that I might be better satisfied I asked Thomas Tuck if y<sup>e</sup> knew Goody Hoar to have a book of fortune telling and he said yea shee had such a kind of book w<sup>ch</sup> he had seen w<sup>th</sup> streaks and pictures in it and y<sup>t</sup> it was about y<sup>e</sup> bigness of of such a book poynting to a gramer, or book of like magnitude this confirmed me in y<sup>e</sup> opinion y<sup>t</sup> my daughter had seen such a book and after my daughters death a friend told me y<sup>t</sup> my daughter said to her shee went in fear of her life by y<sup>e</sup> Hoars till quieted by y<sup>e</sup> script<sup>r</sup>. Fear not them w<sup>ch</sup> can kill y<sup>e</sup> boady &c.

About those times other things were spoken of y<sup>e</sup> sd Hor suspicians of her witchcraft whereupon a friend of mine did as I was informed acquaint Major Denison w<sup>th</sup> them for his consideration and as I was informed Major Denison took an opportunity to examine sd W<sup>m</sup> Hoare about a fortune book his wife had and W<sup>m</sup> Hoare answered y<sup>e</sup> book was John Samsons and his wife had returned y<sup>e</sup> book long agoe and so y<sup>e</sup> matter was left for y<sup>t</sup> time. When discourses arose about witchcrafts at y<sup>e</sup> village, then I heard discourses raised of Goody

Hoars fortune telling of later times and shee being comitted to Boston I did last May speake w<sup>th</sup> her of many things that I had known and heard of her. Shee told me y<sup>t</sup> her owne fortune y<sup>t</sup> she spake of she was told by a shipmaster when she was first maryed and Ens Corning's fortune. viz. y<sup>t</sup> his first wife should dye before him (w<sup>ch</sup> is since come to pass) she spake it from observing a certain streak under ye eye of sd Corning or his wife. But as I take it it was his wife had ye streak. And for seeing y<sup>e</sup> devill (w<sup>ch</sup> was one thing I spake to her off) she said shee never saw ye devill or any spirit but one and y<sup>t</sup> was soon after old Thomas Tuck dyed (w<sup>ch</sup> I take to be about ten years since) and y<sup>t</sup> shee took it to be ye Ghost of Thom Tuck, coming to speake w<sup>th</sup> her about some land sd Tuck had told her of before his death. But y<sup>t</sup> shee fled from y<sup>e</sup> Ghost and got away.

The fortune book she said was about y<sup>e</sup> bigness of ae high Psalter (w<sup>ch</sup> agrees w<sup>th</sup> y<sup>t</sup> of a gramer) But owned no other but y<sup>t</sup> of John Samsons w<sup>ch</sup> he had from her as she said above 20 years agoe and y<sup>t</sup> shee had not told fortunes since y<sup>e</sup> time I layed before her y<sup>e</sup> evill of it w<sup>ch</sup> is about 20 or 22 years since. I lately spake w<sup>th</sup> John Samsons and he told me y<sup>t</sup> he had a book of Palmistry when he lived at Goody Hoars w<sup>ch</sup> shee had seen But y<sup>t</sup> it was a book in quarto and he sold it at Casco-Bay about 30 years since and had not seen it since.

*Examination of George Jacobs Sr.*

The Examination of Geo Jacobs Sen<sup>r</sup> 10 May 1692.

Here are them that accuse you of acts of witchcraft.

Well, let us hear who are they and what are they.

Abigail Williams—Jacobs laught.

Because I am falsely accused.—Your worships all of you do you think this is true?

Nay, what do you think?

I never did it.

Who did it?

Dont ask me.

Why should we not ask you? Sarah Churchill accuseth you there she is.

I am as innocent as the Child born to night. I have lived 33 yeares here in Salem.

What then?

If you can prove that I am guilty I will lye under it

Sarah Churchwell said last night I was afflicted at Deacon Ingerfalls and Mary Walcot said it was a man with 2 staves it was my master.

Pray do not accuse me I am as clear as your worships You must do right judgments.

What book did he bring you Sarah?

The same that the other woman brought.

The Devill can go in any shape.

Did he not he appear on the other side of the river and hurt you did not you see him.

Yes he did.

Look there, she accuseth you to your face she chargeth you that you hurt her twise. Is it not true?

What would you have me say? I never wronged no man in word nor deed.

Here are 3 evidences.

You tax me for a wizzard, you may as well tax me for a buzard. I have done no harm.

Is it no harm to afflict these?

I never did it.

But how comes it to be in your appearance?

The Devil can take any likenesses.

Not without their consent.

Please your worship it is untrue, I never showed the book, I am silly about these things as the child born last night.

That is your Saying, you argue you have lived so long, but what then Cain might lived long before he killed Abel and you might live long before the Devill had so prevailed on you.

Christ hath suffered 3 times for me.

What three times.

He suffered the Cross & gale —

You had as good confesse (said Sarah Churchwell) if you are guilty.

Have you heard that I have any witchcraft?

I know you live a wicked life.

Let her make it out.

Doth he ever pray in his family?

Not unless by himself.

Why do you not pray in your family?

I cannot read.

Well but you may pray for all that. Can you say the Lords prayer? Let us hear you?

He might in severall parts of it and could not repeat it right after Mary Mialls.

Sarah Churchwell, when you wrote in the book you was showed your masters name you said.

Hh

Yes Sir.

If she say so, if you do not know it what will you say?

But she saw you or your likeness tempt her to write.

one in my likeness, the Devil may present my likeness.

Were you not frightened Sarah Churchwell when the representation of your master came to you?

Yes.

Well! burn me or hang me, I will stand in the truth of Christ, I know nothing of it.

Do you know nothing of getting your son George and his daughter Margaret to signe?

No nothing at all.

The 2<sup>d</sup> Examination of said George Jacobs, 11. May 1692.

The bewitched fell into most greivous fits and screakings when he came in.

Is this the man that hurts you?

Abig Williams cryed out this is the man and fell into a violent fit.

Ann Putnam said this is the man and he hurts her and brings the book to her and would have her write in the book and she should be as well as his Grand daughter.

Mercy Lewis is this the man?

This is the man (after much interruptions by fits) he almost kills me.

Eliz Hubbard said the man never hurt her till to day he came upon the Table.

Mary Walcot is this the man?

After much interruptions by fits she said this is the man he used to come with two staves and beat her with one of them.

What do you say are you not a witch?

No I know it not, if I were to dye presently.

Mercy Lewis went to come near him but fell into great fits.

Mercy Lewis testimony read. What do you say to this?

Why it is false I know not of it any more than the child that was born to night.

Ann Putnam said yes, you told me so, that you had been so this: 40 yeares.

Ann Putnam and Abigail Williams had each of them a pin stuck in their hands and they said it was this old Jacobs.

Abigail Williams Testimony read

Are not you the man that made disturbance at a Lecture in Salem?

No great disturbance. Do you think I use witchcraft?

Yes indeed.

No I use none of them.

*Abigail Williams v. George Jacobs Sr.*

The Testimony of Abigail Williams witnesseth and saith that she hath severall times seen and been very much afflicted by the Apparition of Geo Jacobs Sen<sup>r</sup> of Salem at and before the 11 May 1692.

*Bray Wilkins v. John Willard.*

The deposition of Bray Wilkins of Salem Vil-  
lage aged about eighty and one years with reference  
to John Willard of sd Salem lately charged with  
witchcraft, when he was at first complained of by  
the afflicted persons for afflicting of them he came  
to my houte greatly troubled desiring me with  
some other neighbours to pray for him. I told him  
I was then going from home and could not stay,  
but if I could come home before night I should not  
be unwilling, but it was near night before I came  
home and so I did not answer his desire, but I  
heard no more of him upon that account whether

my not answering his desire did not offend him, I cannot tell I was jealous afterward that it did A little after my wife & I went to Boston at the last Election when I was as well in health as in many yeares before & the Election day coming to my brother Left Richard Way's house at noon there were many friends to dine there, they were sat down at the Table Mr. Lawfon and his wife & severall more John Willard came into the house with my son Henry Wilkins before I sat down & sd Willard to my apprehension look'd after such a sort upon me as I never before discerned in any. I did but step into the next room & I was presently taken in a strange condition so that I could not dine nor eat any thing. I cannot expresse the misery I was in for my water was suddenly stopt & I had no benefit of nature but was like a man in a Rock and I told my wife immediatly that I was afraid that Willard had done me wrong my pain continuing and finding no relief my jealousy continued: Mr. Lawfon and others there were all amazed & knew not what to do for me. There was a woman accounted skilful came hoping to help me and after she had used means she asked me whether none of those evil persons had done me damage I said I could not say they had but I was fore afraid they had she answered she did fear so too as near as I remember I lay in this case 3 or 4 dayes at Boston and afterwards with the jeopardy of my life (as I thought) I came home and then some of my friends coming to see me (and at this time John Willard was run away) one of the afflicted persons mercy Lewes

came in with them & they asked whether she saw any thing: she said yes, they are looking for John Willard but there he is upon his Grandfathers Belly (and at that time I was in grievous pain in the small of my Belly) I continued so in grievous pain and my water much stopt till sd Willard was in chains and then as near as I can guess I had considerable ease, but on the other hand in the room of a stoppage I was vexed with a flowing of water so that it was hard to keep myself dry. On the 5 July last talking with some friends about John Willard some pleading his innocency and myself and some others arguing the contrary, within about 1-4 of an hour after that I had said it was not I nor my son Benj Wilkins, but the testimony of the afflicted persons and the jury concerning the murder of my grandson: Dan: Wilkins, that would take away his life if any thing did and within about 1-4 hour after this I was taken in the forest distressed & misery my water being turned into real blood, or of a bloody colour and the old pain returned excessively as before which continued for about 24 hours together.

I saw there the Apperishtion of John Willard grievously afflicting his grandffather wilknes and I also saw the apperishtion of John Willard there grievously afflicting the body of Daniell Wilknes who laid speechles and in a sad condition and John Willard tould me he would kill Daniell Wilknes within Two days if he could also I was at Henry Wilknes the 16 May a little before night and their I saw the apperishtion of John Willard a choaking Daniell Wilknes also on the 18<sup>th</sup> May being ing the day of his examination I was most grievously tortured by him dureing the time of his examination for if he did but look upon me he struck me down or almost choaked me to death and several times fence

the Apperishtion of John Willard has most grievously afflicted me by beating pinching and allmost choaking me to death, also dureing the time of his examination I saw the Apperishtion of John Willard goe from him and afflict the bodyes of Mary Wolcott Abigail Williams Elizabeth Hubbard and Ann Putnam Jun<sup>r</sup>.

*Jonathan Putnam, James Darling, Benj<sup>a</sup> Hutchinson & Sam. Braybrook v. Mary Easty.*

The deposition of Jonathan Putman, James Darling, Benj<sup>a</sup> Hutchinson & Sam: Braybrook w<sup>o</sup> testify and say that we together with divers others the 20: May. 1692. between eight and eleven oclock at night being with Mercy Lewes whom we found in a case as if death would have quickly followed, and to whom Eliz: Hubbard was brought (said Mercy being unable to Speak most of the day) to discover what she could see did afflict said Mercy, heard and observed that these two fell into fits by turns, the

one being well whilst the other was ill, and that each of them complained much of Mary Eastie, who brought the book to said Mercy severall times as we heard her say in her trances, and vexed and tortured them both by choking and seemingly breathless fits and other fits, threatening said Mercy with a winding sheet &, afterwards with a Coffin if said Mercy would not signe to her book, with abundance more of vexations the both received from her.

*Examination of Mary Easty.*

The Examination of Mary Eastie.

At a Court held at Salem village 22 : Apr. 1692.

By the Wop. John Hathorne & Jonathan Corwin.

At the bringing in of the accused severall fell into fits.

Doth this woman hurt you.

many mouths were stopt, and several other fits seized them

Abig : Williams said it was Goody Eastie, and she had hurt her, the like said Mary Walcot, & Ann Putman, John Jackson said he saw her with Goody Hobbs.

What do you say, are you guilty ?

I can say before Christ Jesus, I am free.

You see these accuse you.

There is a God.

Hath she brought the book to you ?

Their mouths were stopt.

What have you done to these children?

I know nothing.

How can you say you know nothing, when you see these tormented, and accuse you that you know nothing?

Would you have me accuse myself?

Yes if you be guilty.

How far have you complied w<sup>th</sup> Satan whereby he takes this advantage ag<sup>t</sup> you?

Sir, J never complied but prayed against him all my dayes, J have no compliance with Satan, in this. What would you have me do?

Confess if you be guilty.

J will say it, if it was my last time, J am clear of this sin,

Of what sin?

Of witchcraft.

Are you certain this is the woman?

Never a one could speak for fits.

By & by Ann Putman said that was the woman, it was like her, and she told me her name.

It is marvailous to me that you should sometimes think they are bewitched, and sometimes not, when severall confess that they have been guilty of bewitching them.

well Sir would you have me confess that J never knew?

Her hands were clinch<sup>d</sup> together and then the hands of Mercy Lewis was clincht.

Look now you hands are open, her hands are open.

Is this the woman ?

They made signes but could not speak, but Ann Putman afterwards *Betty Hubbard* cryed out Oh. Goody Easty, Goody Easty you are the woman, you are the woman

Put up her head, for while her head is bound the necks of these are broken.

What de you say to this ?

Why God will know.

Nay God knows now.

I know he dos.

what did you think of the actions of others before your sisters came out, did you think it was Witchcraft ?

I cannot tell.

Why do you not think it is Witchcraft ?

It is an evil spirit, but wither it be witchcraft J do not know, Severall said she brought them the Book and then they fell into fits.

*Petition of Mary Easty & Sarah Cloys.*

The humble Request of Mary Easty and Sarah Cloys to the Honoured Court.

Hambly sheweth, that whereas we two Sisters Mary Easty and Sarah Cloys stand now before the Honoured court charged with the suspition of Witchcraft, our humble request is first that seing we are neither able to plead our owne cause, nor if counsell alowed to those in our condicion, that you who are our Judges, would please to be of counsell to us, to direct us wher in we may stand in neede, Secondly that wheras we are not conscious to ourselves of any guilt in the least degree of that crime, wherof we are now accused (in the presence of ye Living God we speake it, before whose awfull Tri-

bunall we know we shall ere Long appeare) nor of any other scandlouse evill, or miscaryage inconsistent with Christianity, Those who have had ye longest and best knowledge of vs, being persons of good report, may be suffered to Testifie upon oath what they know concerning each of vs, viz Mr. Capen the pastour and those of y<sup>e</sup> Towne and Church of Topsfield, who are ready to say something which we hope may be looked upon, as very considerable in this matter : with the seven children of one of us, viz Mary Efty, and it may be produced of like nature in reference to the wife of Peter Cloys, her sister, Thirdly that the Testimony of witches, or such, as are afflicted, as is supposed, by witches may not be improved to condemn us, without other Legal evidence concurring, we hope the honoured Court and Jury will be soe tender of the lives of such as we are who have for many yeares lived vnder the vnblemished reputation of Christianity as not to condemne them without a fayre and equall hearing of what may be sayd for us, as well as against us, And your poore supplyants shall be bound always to pray &c.

Goody carrier

Sufan Shelden who hurts you ?

Goody carrier, she bites me pinches me, and tells me she would cut my throat if I did not signe her book.

Mary Walcot said she afflicted her and brought the book to her.

What do you say to this you are charged with ?

I have not done it.

Sus: Sheldon cried she looks upon the black man.

Ann Putman complained of a pin tuck in her.

What black man is that ?

J know none.

Ann Putman testified there was.

Mary Warrin cryed out she was prickt

What black man did you see ?

J saw no black man but your own prefence.

Can you look upon these and not knock them down ?

They will dissemble if I look upon them.

You see you look upon them and they fall down.  
It is false the Devil is a liar.

J lookt upon none since I came into the room  
but.

Sufan Sheldon cryed out in a Trance J wonder  
what could you murder 13 persons?

Mary Walcot testified the same that there lay 13  
Ghosts. All the afflicted fell into most intollerable  
out cries and agonies.

Eliz Hubbard and Ann Putman testified the  
same that she had killed 13. at Andover.

It is a shamefull thing that you should mind  
these folks that are out of their wits.

Do not you see them?

If J do speak you will not believe me?

You do see them said the accusers.

You lye, I am wronged.

There is the black man wispering in her ear said  
many of the afflicted.

Mercy Lewes in a violent fit, was well upon the  
examinants grasping her arm.

The Tortures of the afflicted was so great that  
there was no enduring of it, so that she was ordered  
away and to be bound hand and foot with all ex-  
pedition the afflicted in the meanwhile almost  
killed to the great trouble of all spectators Magif-  
trates and others.

Note. As soon as she was well bound they all  
had strange and sodain ease. Mary Walcot told  
the Magistrates that this woman told her she had  
been a witch this 40 yeares.

*Phebe Chandler v. Martha Carrier.*

The deposition of Phebe Chandl<sup>r</sup> aged about 12 years. Testifieth that about a fourtnight before Martha Carrier, was sent for to Salem to be examined, upon y<sup>e</sup> Sabbath day when ye psalm was singing, f<sup>d</sup> Martha Carrier took me f<sup>d</sup> deponent by ye

shoulder and shaked me, in ye meeting house and asked me where I lived, but J made her no answer, (not doubting but that she knew we, hauing liued some time the next door to my futhers house, on one side of y<sup>e</sup> way) and that day that f<sup>d</sup> Martha Carrier was ceased, my mother sent me to Carry some bear to y<sup>e</sup> folks y<sup>t</sup> were att work in ye lott, and when I came within y<sup>e</sup> fence, there was a voice in ye bushes (which J thought was Martha Carriers uoice, which J know well) but saw noe body, and y<sup>e</sup> voice asked me what J did there and whether J was going : which greatly frightened me, soe that J run as fast as J could to those att work, and told them what J had heard, about an hour & half or two hours after, my mother sent me again upon y<sup>e</sup> same occasion, to y<sup>e</sup> workmen about<sup>d</sup> and Comming home, near y<sup>e</sup> place about<sup>d</sup> where I heard that voice before, J heard y<sup>e</sup> same uoice, as J judged, ouer my head, saying J should be poysoned within two or three days, which accordingly happened, as J conceiue, for J went to my sifter Allens farm ye same day, and on friday following, about one half of my right hand was greatly swollen and exceeding painfull, and alsoe part of my face, which J can give no account how it came and Continued uery bad some days, and seueral times since J haue been troubled with a great weight upon my breast, and upon my leggs, when J haue been going about, so that J could hardly goe, which J haue told my mother of : And y<sup>e</sup> last sabbath day was seauennight, J went to meeting very well in y<sup>e</sup>

morning, and went to my place where J used to sitt (ye ministers not being come) and Richard Carrier son of aboues<sup>d</sup> Martha looked uery earnestly upon me, and imediately my hand which had formerly been poysoned as aboues<sup>d</sup> began to pain me greatly, and J had a strange burning att my stomake and then was struck deaf that J could not hear any of ye prayer, nor singing till ye two or three last words of ye singing.

R.<sup>vd</sup> Sr Whereas there haue been diuers reports rayf-

as J had the vnderstanding of any thing amongst  
us. Therefore do declare that, J beleue the reports  
haue been Scandalous, and unjust neither will bear

ver heard of it, till this last Summer, and the Sab-

which J beleue it hath not been tryed, As for such

J never heard, nor doe J know any Neighbour that

it, I haue lived above Fortie foure yeares in the  
Towne, and haue been frequent among y<sup>e</sup> Jnhab-  
itants, and in my healthfull, yeares oft at their ha-  
bitations, and should certainly heard if so it had  
been. That there was a suspicion of Goodwife Car-  
rier among some of us before she was apprehended,

J know. As for any other persons, J had no suspicion of them, and had Charity been put on the Diuel would not haue had such an advantage against us, and J beleeve many Jnnocent persons haue been accused, and Imprisoned y<sup>e</sup> Conceit of Spectre Evidence as an infallible mark did too far prevaile with us Hence we so easily parted with our neighbours of honest and good report, and members in full Comunion, hence we so easily parted with our Children, when we knew nothing in their liues, nor any of our neighbours to suspect them and thus things were hurried on, hence such strange breaches in families, severall that came before me, that spoke with much sobriety, professing their innocency, though through the Devils Subtilty they were to much urged to confesse, and we thought we did doe well in so doing, yet they stood their ground professing they knew nothing, never say ye deuil, never made a Covenant with him, and ye like, and some children that we haue cause to feare that dread has overcome them to accuse themselves in that they knew not. Stephen Johnson Mary Barker y<sup>e</sup> daughters of Lieftenant Barker, and some others by what we had from them with suitable affections we haue cause to beeleeve they were in the truth, and so held to it, if after many indeavours they had not been overcome to say w<sup>t</sup> they never knew. This hath been a trouble to me, confederating how oft it, hath been sayd, you are a witch, you are guilty, and who afflicts this maid or the like, and more then this hath been sayd, charging persons with

witchcraft, and what flatteries haue past from ; and threats and telling them they must goe to prison and this I feare haue caused many to fall, our Sinne of Ignorance wherein we thought we did well, will not excuse us when we know we did amisse but whatever might be a stumbling block to others must be removed, else we shall procure divine displeasure, and Euills will unavoidably breake in upon us.

Yours S<sup>r</sup> who am though unworthie a friend to them y<sup>t</sup> are friends to Sion.

FRANCIS DANE Ser.

Concerning my Daughter Elizabeth Johnson, J never had ground to suspect her neither have J heard any other to accuse her, till for Spectre evidence she was brought forth, but this J must say, she was weake, and incapacious, fearfull, and in that respect J feare she hath falsely accused herself and others Not long before that she was sent for she spake as to her owne particular, that she was sure she was no witch, and for her daughter Elizabeth, she is but simplish at ye best, and J feare the common speech that was frequently spread among us, of their liberty, if they would confesse, and the like expression, used by some, haue brought many into a snare, the Lord direct and guide those that are in place, and giue us all submissiue wills, and let the Lord doe with me, and mine, what seems good in his owne eyes.

*Examination of Elizabeth How.*

The examination of Eliz. How. 31. May 1692.

Mercy Lewis and Mary Walcot fell in a fit quickly after the examinant came in.

Mary Walcot said that this woman the examinant had pinch<sup>d</sup> her and choakt this month. Ann Putman said she had hurt her three times. What say you to this charge? Here are them that charge you with witchcraft.

If it was the last moment I was to live, God knows I am innocent of any thing in this nature.

Did not you take notice that now when you lookt upon Mercy Lewis she was struck down?

I cannot help it,

You are charged here, what doe you say?

I am innocent of any thing of this nature.

Is this the first time that ever you were accused?

Yes S<sup>r</sup>

Do not you know that one at Ipswich hath accused you?

This is the first time that ever I heard of it.

You say that you never heard of these folks before.

Mercy Lewis at length spake and charged this woman with hurting and pinching her. And then Abigail Williams cryed she had hurt me a great many times, a great while and she hath brought me the book, Ann Putman had a pin stuck in her hand.

What do you say to this?

I cannot help it.

What consent have you given?

Mary Warren cryed out she was prickt

Abig Williams cryed out that she was pincht, and great prints were seen in her arm.

Have not you seen some apparition?

No, never in all my life.

Those that haue confessed, they tell us they used images and pins, now tell us what you haue used.

You would not haue me confesse that which J know not.

She lookt upon Mary Warren, and said Warren violently fell down. Look vpon this maid viz: Mary Walcot, her back being towards the Examinant, Mary Warren and Ann Putman said they saw this woman upon her, Susan Sheldon saith this was the woman that carryed her yesterday to the Pond, Sus. Sheldon carried to the examinant in a fit and was well upon grasping her arm.

You said you never heard before of these people.

Not before the warrant was served upon me last Sabbath day, John Indian cryed out O she bites, and fell into a greivous fit; and so carried to her in his fit and was well upon her grasping him,

What do you say to these things, they can not come to you?

Sr I am not able to give account of it.

Cannot you tell what keeps them off from your body?

J cannot tell, J know not what it is?

That is strange that you should do these things and not be able to tell how.

This a true account of the examination of Eliz: How taken from my characters written at the time thereof. Witness my hand

Sam. Parris.

Being ask<sup>t</sup> w<sup>m</sup> he partook of the Lords supper,  
he being (as he said) in full comunion at Roxbury.

He answered is was so long since he could not  
tell: yet he owned he was at meeting one Sab: at  
Boston part of the day, and the other a Charlestown  
part of a Sab: when that sacrament happened to  
be at both, yet did not partake of either. He de-  
nyed that his house as Casko was haunted, yet he  
owned there were Toads. He denyed that he made  
his wife swear, that she could not write to his father  
Ruck without his approbation of her letter to her  
Father. He owned that none of his children, but  
the eldest was Baptized. The above was in private  
none of the Bewitched being present. At his en-  
try into the Room many (if not all of the Be-  
witched) were greivously tortured.

1. Sus. Sheldon testified that Burroughs two  
wives appeared in their winding sheets, and said that  
man killed them.

He was bid to look upon Sus. Sheldon,

He looked back and knockt down all (or most),  
of the afflicted w<sup>o</sup> stood behind him.

Ann Putman jun <sup>r</sup>	{	Testified that his 2 wives & 2, Children were destroyed by him.

The Bewitched were so tortured that Authority ordered them to be taken away some of them.

Capt Putman testified that he made his wife enter into a covenant. 11 May 1692.

The examination and Confeſſion of Sam<sup>l</sup> wardwell taken Sept 1<sup>st</sup> 92. before John Higginſon Eſq of their majties Juſtices of peace for the County of Effex.

After the returneing of negative anſwers to ſeverall queſtions He ſaid he was ſenſible he was in the ſnare of the devil, he uſed to be much diſcontented that he could get no more work done, and that he had been fooliſhly led along with telling of fortunes, which ſometymes came to paſs, He uſed alſo when any creature came into his field to bid the devil take it, and it may be the devil took advantage of him by that Conſtable foſter of Andover ſaid that this wardwell told him once in the woods that when he was a young man he could make all his cattell come round about him when he pleaſed. The ſaid wardwell being urged to tell o truth he proceeded thus, That being once in a diſcontented frame he ſaw ſome cattes together with the appearance of a man who called himſelf a prince of the aire & promiſed him he ſhould live comfortably and be a cap-

tain and requyred said wardwell to honor him which he promised to doe and it was about twenty years agoe: He said the reason of his discontent then was because he was in love with a maid named Barker who flighted his love, And the first Apperance of the catt then was behind Capt<sup>t</sup> bradstreets house, about a week after that a black man appeared in the day tyme at the same place and called himself prince and lord and told him the said wardwell he must worship and believe him, and promised as above, with this addition that he should never want for any thing but that the black man had never performed anything, and further that when he would goe to prayer in his family the devil wold begin to be angry. He saith also that at that tyme when the devil appeared and told him he was prince of the aire that then he Syned his book by makeing a marke like a square with a black pen and that the devil brought him the pen and Jnk: He saith further he couenanted with the devil untill he should arryve to the age of sixty years and that he is now about the age of 46 years And at that tyme the devil promised on his part, as is above exprest, he said it was about a f<sup>n</sup>ight agoe since he began to afflict, and confesses that mary Lilly and Hannah Tayler of Ridding were of his company, Further he saith that martha Sprague was the first he afflicted, that the devil put him upon it and threatned him y<sup>r</sup> unto And that he did it by pinching his coat and buttons when he was discontented, and gave the devil a commission so to doe, He sayes

he was baptized by the black man at Shaw thin river alone and was dypt all over and beleues he renounced his former baptisme

*Examination of Deliverance Hobbs.*

(1) The Examination of Deliverance Hobbs 22  
Apr. 1692. Ata court held at Salem village by

John Hawthorne } Esq<sup>rs</sup>.  
Jonah Corwin }

Mercy Lewes do you know her that stands at  
the Bar (for the Majestrates had privately ordered  
who should be brought in and not suffered he name  
to be mentioned) Do you know her? speaking to  
another: but both were struck dumb.

Ann Putnam jun<sup>r</sup> said it was Goody Hobbs and  
she hath hurt her much.

John Indian said he had seen her, & she choake  
him.

Mary Walcot said, yesterday was the first time  
that she saw her i. c. as a Tormenter

Why do you hurt these persons?

It is unknown to me.

How come you to commit acts of witchcraft?

I know nothing of it.

It is you or your appearance, how comes this  
about? Tell us the truth.

I cannot tell.

Tell us what you know in this case. Who hurts  
them if you do not?

There are a great many Persons hurts us all.

But it is your appearance.

J do not know it.

Have not you consented to it, that they should be hurt?

No in the sight of God, and man, as J shall answer another day

It is said you were afflicted, how came that about?

J have seen fundry fights.

What fights.

Last Lords day in this meeting house and out of the door, J saw a great many birds cats and dogs, and heard a voice say come away.

What have you seen since?

The shapes of severall persons.

What did they say?

Nothing.

What neither the birds, nor persons?

No.

What persons did you see?

Goody Wilds and the shape of Mercy Lewes.

What is that? Did either of them hurt you?

None but Goody Wilds, who tore me almost to peices.

Where was you then?

Jn bed

Was not the book brought to you to signe?

No.

Where were you not threatened by any body, if you did not signe the book?

No, by nobody.

What were you tempted to under you affliction?

J was not tempted at all.

Is it not a solemn thing, that last Lords day you were tormented, & now you are become a tormentor, so that you have changed sides, how comes this to pass?

Abig: Williams and Ann Putnam jun<sup>r</sup> cry out there is Goody Hobbs upon the Beam, she is not at the Bar, they cannot see her there: tho there she stood.

What do you say to this, that tho you are at the bar in person, yet they see your appearance upon the beam, & whereas a few dayes past you were tormented, now you are become a Tormentor? Tell us how this change comes. Tell true.

J have done nothing.

What have you resolved you will not confess? Hath any body threatened you if you do confess? You can tell how this change comes.

She lookt upon John Indian, & then another, & then they fell into fits.

Tell us the reason of this change: Tell us the truth. What have you done?

J cannot speak.

What do you say? What have you done?

J cannot tell.

Have you signed to any book?

It is very lately then.

When was it?

The night before the last.

Will the Lord open your heart to confesse the truth. Who brought the book to you?

It was Goody Wilds.

What did you make your mark with in the book?

Pen and ink.

Who brought the Pen and Ink?

They that brought the book, Goody Wilds.

Did they threaten you if you did not signe?

Yes, to teare me in peices.

Was there any else in company?

No, Sir.

What did you afflict others by? Did they bring images?

Yes.

Who brought the images?

Goody Wild and Goody Osburn.

What did you put into those images.

Pins, Sir.

Well tell us who haue you seen of this company?

None but those two.

Have you not seen many?

No. J heard last night a kind of Thundring.

How many images did you use?

But two.

Nay here is more afflicted by you, You said more, Well tell us the truth. Recollect yourself.

J am amazed.

can you remember how many were brought?

Not well, but severall were brought.

Did they not bring the image of John Nichols his child?

Yes.

Did not you hurt that child?

Yes.

Where be those images, at your house?

No, they carryed them away again.

When?

They carred some then, & some since.

Was it Goody Wild in body, or appearance?

In appearance.

Was there any man with them?

Yes a tall black man with an highcrown'd hat.

Do you know no more of them?

No. Sir.

demned by the court at Salem sometime in January in the year 1692, as I suppose will appear by the Records of the Ingalls at that Court, but her name is not inserted in the late Act of the Generall Court, for the taking of the Attainder of those that were condemned in that year, my mother being since deceased. I thought it my duty to endeavour that her name may have the benefit of that Act. J therefore humbly pray your Honours to Represent this case to the Honourable Gen<sup>ll</sup> Court, that my mothers name may be inserted in the said Act. And whereas in the Account which J gaue to your Hono<sup>rs</sup> when you met at Salem the last winter, J mentioned only what was seized of my Father's estate, by the sherriffe, but gave no account of other charges which did arise from the imprisonment of my Father and mother, they having provided for their own subsistence while they were in Prison, and I suppose there was something considerable payd to the keeper of the Prison, though I am not able now to give a particular account how much it was. If your honours please to allow me something upon that account, It will be thankfully acknowledged by, Your honours most humble

*W<sup>m</sup> Morfe v. Abel Powell.*

The testimony of W<sup>m</sup> Morfe w<sup>ch</sup> fayth together with his wife, aged both about 65 yeeres. That Thursday night being the 27<sup>th</sup> day of Nov<sup>r</sup> we heard a grate noyse without round the house of knocking the boards of the house, & as we conceiued throwing of stones ag<sup>t</sup> the house: whereupon myselfe & wife lookt out, & saw nobody, & the boy all this time with vs: but we had stones & sticks throwne at vs that we were forced to retire into the house againe, afterwards we went to bed & the boy with us, & then the like noyes was vpon the rooffe of the house.

2. The same night about midnight the doore being lockt when we went to bed, we heard a great hog in the house grunt & make a noyes, as we thought willing to gett out & that we might not be disturbed in o<sup>r</sup> sleep I rose to lett him out & I found a hog in the house & the doore unlockt: the doore was firmly lockt when we went to bed.

3. The next morning, a stick of Links hanging in the chimney, they were throwne out of their

place, & we hanged them vp again & they were throwne downe againe and some into the fire.

4. The night following I had a great awle lying in the window, the w<sup>ch</sup> awle we saw fall downe out of the chimney into the ashes by the fire. 5. After this I bid the boy putt the same awl into the cupboard w<sup>ch</sup> we saw done, & the doore sh<sup>t</sup> too: this same awle came presently downe the chimney againe in o<sup>r</sup> sight & I tooke it vp myselfe againe the same night we saw a little Indian baskett that was in the loft before come downe the chimney againe, & I tooke the same basket & put a piece of brick into it, and the basket with the brick was gone, & came downe againe the third time with the brick in it, & went up againe the fourth time, & came down againe without the bricke: & the bricke came downe a little after.

6. The next day being Saturday, stones, sticks, & pieces of bricks came downe so that we could not quietly dresse o<sup>r</sup> breakfast, and sticks of fire allso came downe at the same time.

7. That day in the afternoone my thread 4 times taken away and came downe y<sup>e</sup> chimney, againe, my awle & a gimblett wanting came downe the chimney: againe my leather taken away came downe the chimney: againe my nails being in the cover of a firkin taken away came downe the chimney. Againe the same night the door being lockt, a little before day hearing a hog in the house I rose and saw the hog to be mine. I let him out.

8. The next day being Sabbath day, many stones & sticks & pieces of bricks came downe the chimney: on the munday m<sup>r</sup> Richardson & my brother being there, the frame in my cow house they saw very firm. I sent my boy out to skare the fowles from my hogs meat: he went to the bowhouse, & it fell downe my boy crying with the hurt of the fall: in the afternoone, the potts hanging ouer the fire did dash so vehemently one ag<sup>t</sup> the other, we sett downe one that they might not dash to pieces: I saw the andiron leap into the pott & dance & leap out, & again leap in & dance & leap out againe, & leap on a table & there abide, & my wife saw the andiron on the table: allso I saw the pott turne itt selfe over and throw downe all the water: againe we saw a tray with wooll leap vp & downe & throw the wooll out, & so many times & saw no body medle with it: againe a tub his hoop fly off of itselke & the tub turne over & nobody neere it: againe the woollen wheele turned vpside downe & stood vp on its end, & a spade sett on it: Steph Greenleafe saw it, & myselfe & my wife, againe my rope tooles fell downe vpon the ground before my boy could take them, being sent for them, & the same thing of nailes tumbled downe from the loft into the ground, & nobody neere. Againe my wife & boy making the bed, the chest did open and shutt the bed cloathes could not be made to ly on the bed but fly off againe.

Againe Caleb Powell came in & being affected

to see or trouble did promise me & my wife that if we would be willing to lett him keep the boy we should see or selves that we should be neuer disturbed while he was gone with him, he had the boy & had bin quiet ever since.

Tho: Rogers, & George Hardy being at W<sup>m</sup> Morfe his house affirme that the earth in the chimney corner moued & scattered on them that Tho: Rogers was hitt with somewhat, Hardy with an Iron ladle as is supposed. Somewhat hitt W<sup>m</sup> Morfe a great blow: but it was so swift that they could not certainly tell what it was: but looking downe after they heard the noyse they saw a shooe. The boy was in the corner at the first, afterwards in the house. M<sup>r</sup> Richardson on saturday testifyeth that a board flew ag<sup>t</sup> his chaire & he heard a noyse in another roome, w<sup>ch</sup> he supposed in all reason to be diabolicall.

Auth Morfe affirmeth that he saw the bord before tackt with nailes to the window, but his evidence is drawne at large by himselfe. John Dole saw a pine stick of candlewood to fall downe, a stone, a firebrand, & these things he saw not what way they came till they fell downe by him.

The same affirmed by John Tucker the boy was in one corner, whom they saw & observed all the while & saw no motion in him Elizabeth Titcomb affirmeth that Powell sayd that he could find the witch by his learning if he had another scholler with him, this she sayeth were his expressions to the best of her memory Steph. Greenleafe, & Edw

Richardson affirme the motion of the woll in the tray.

Jo. Tucker affirmeth that Powell sayd to him, he saw the boy throw the shoöe while he was at prayer.

John Badgers oath is drawne out by itselfe.

Jo. Emerson affirmeth that Powell sayd he was brought vp vnder Norwood, and it was guded by the people there, that Norwood studied the black Art.

We saw also a rooler of bread turne over ag<sup>t</sup> me & struck me not any being neere it, & so overturned. I saw a chaire standing in the house & not any body neere it did often bow towards me & so rise vp againe. My wife also being in the chamber the chamber doore did violently fly together not any body being neere it. My wife going to make a bed the bed did moue to & fro not any body being neere it. I also saw an Iron wedge & spade was flying out of the chamber on my wife & did not stricke her. My wife going into the Cellar a drum standing in the house did rowle over the doore of the Cellar & being taken vp againe the door did violently fly downe againe. My barnes doors 4 times vn<sup>p</sup>pinned I know not how. I going to shutt my barne doore looking for the pin the boy being with me. (as I did judge) the pin coming downe out of the aire & did fall down neere to me, Againe Caleb Powell came in as before sayd & seeing o<sup>r</sup> spirits very low by y<sup>e</sup> sence of o<sup>r</sup> great

affliction began to bemoane or condition & sayd that he was troubled for or afflictions, & sayd that he had eyed this boy, & drawed neere to vs with great compassion. poore old man, poore old woman this boy is the occasion of your griefe, for he hath done these things, & hath caused his good old grandmother to be counted a Witch, then sayd I how can all these things be done by him, sayd he allthough he may not haue done all yett most of them, for this boy is a young rogue, a vile rogue, I haue watched him & see him do things as to come up & downe. Caleb Powell allso said he had vnderstanding in Astrology & Astronomy, & knew the working of spirits, some in one country, and some in another, & looking on the boy sayd you young rogue to begin so soone, Goodman Morfe of you be willing to lett me haue this boy, I will vndertake you shall be free from any trouble of this kind while he is with me: I was very unwilling at the first & my wife, but by often vrging me til he told me whither, & what employ<sup>mt</sup> & company he should goe, I did consent to it and this was before Jo: Bedger came & we haue bin freed from any trouble of this kind euer since that promise made on monday night last, to this time being friday in the afternoone then we heard a great noyse in the other roome oftentimes, but looking after it, could not see anything. but afterwards looking into the roome, we saw a board hanged to the presse then we being by the fire, sitting in a chaire my chaire often would not stand still but ready to throw me backward

often times : afterward my cap allmost taken off my head 3 times againe a great blow in my polle & and my catt did leap from me into the chimney corner presently after this cat was throwne at my wife : we saw the catt to be ours we put her out of the house & shutt the doore : presently the catt was throwed into the house : we went to goe to bed suddenly my wife being with me in bed the lamp light by or side my catt againe throwed at vs 5 times jumping away presently into the floore, & one of those times, a red waistcoat throwed on the bed, & the catt wrapped vp in it : againe the Lamp standing by vs on the chest, we sayd it should stand & burn burne out, but presently was beaten downe, & all the oyle shed, & we left in the darke : Againe a great noyse a great while very dreadfull : againe in the morning a great stone being 6 pound weight did remoue from place to place we saw it : two spoones throwed off the table, & presently the table throwed downe & being minded to write my ink horne was hid from me, w<sup>ch</sup> I found couered with a rag, & my pen quite gone. I made a new pen & while I was writing one eare of corne hit me in the face, & fire sticks & stones & . . . . . throwed at me, & my pen brought to me while I was writing with my new pin, my Ink horne taken away, and not knowing how to write any more, we looked vnder the table, & there found him, & so I was able to write againe : againe my wife her hat taken from her head sitting by the fire by me

the table allmoſt, throwne downe : againe my ſpectacles throwne from the table, and throwne allmoſt into the fire by me & my wife & the boy : againe my booke of all my accounts throwne into the fire, & had bin burnt preſently if I had not taken it vp : againe boards taken off a tub, and ſett upright by themſelves & my paper do what I could hardly keep it while I was writing this relation & things throwne at me while a wrighting preſently before I could dry my writing a mormouth hatt rubbed along it but I held ſo faſt that it did blott but ſome of it : my wife and I being much afraid that I ſhould not preſerve it for the publike uſe did thinke beſt to lay it in the bible, & lay it ſafe that night, againe the next I would lay it there againe, but in the morning it was not there to be found the bag hanged downe empty, but after was found in a box alone againe while I was writing this morning, I was forced to forbear writing any more I was ſo diſturbed with ſo many things conſtantly throwne at me. This relation brought in der 8<sup>th</sup>.

John Badger affirmeth that being at W<sup>m</sup> Morſe his houſe and heard Caleb Powell ſay, that he thought by Aſtrology, & I thinke he ſayd by aſtronomy to with it he could find out whether or no there were diabolicall means uſed about the ſayd Morſe his trouble, & that the ſayd Caleb, ſayd he thought to try to find it out.

*John Badger v. Abel Powell.*

Vpon the hearing the complaint brought to this court ag<sup>t</sup> Caleb Powell for suspicion of working by the devill to the molesting of the family of W<sup>m</sup> Morfe of Newbery, though this court cannot find any euident ground of proceeding farther ag<sup>t</sup> the sayd Caleb Powell, yett we determine that he hath given such such ground of suspicion of his so dealing, that we cannot so acquit him, but that he gustly deserves to bear his owne shame & the costs of the prosecution of the Complaint, refered to m<sup>r</sup> woodbridge to examine & determrne w<sup>t</sup> the charges.
